STAFF DEVELOPMENT: FRANKLINTON SENIOR CENTER COMMUNITY GARDEN

On May 9th, our COG team had the incredible opportunity to step out of the office and into the community at the Franklinton Senior Center Community Garden for our Staff Development Meeting! We rolled up our sleeves and got to work: picking strawberries, laying down fresh mulch, and planting seeds that will soon bloom in the community. It was all part of helping the garden prepare for their special Mother's Day celebration, and we were honored to play a small part in bringing it to life. We're so grateful for the chance to give back, learn from our neighbors, and be part of something meaningful. Keep an eye out for our next staff development adventure!

PRODUCE BAG DISTRIBUTION FOR SENIORS IN OXFORD

The Area Agency on Aging is partnering with local farmers to distribute \$2,000 in weekly produce bags at the Oxford Armory Farmers Market this summer. More than 50 older adults picked up their first bag of the season on Saturday, May 24th.

FRANKLINTON COMMUNITY GARDEN AWARDED ERNEST B. MESSER AWARD

The North Carolina Division of Aging recognizes the Franklinton Community Garden with the 2024 Ernest B. Messer Award. The award recognizes individual communities for services provided to their aging populations. Bernie on the left is seen accepting the award.

KERR-TAR FOOD COUNCIL CELEBRATES FIRST ANNIVERSARY & LEADERSHIP TRANSITION

SPOTLIGHT ON ELDER ABUSE AWARENESS: KIM HAWKINS SPEAKS ON WARR RADIO

On May 29th, Kim Hawkins, Ombudsman at Kerr-Tar, joined Vonn P on WARR Radio's Facebook Live show to discuss her upcoming Elder Abuse Awareness Conference and Walk, scheduled for June 13th. As an Ombudsman, Kim advocates for the rights and well-being of older adults, helping to resolve concerns through fair and impartial support. During the segment, she shared valuable resources and emphasized the importance of protecting our aging population. Elder Abuse Awareness Month runs from Mother's Day to Father's Day, with the official awareness day on June 15th. Shockingly, 1 in 10 older adults experience some form of elder abuse, a statistic that highlights the importance of an ombudsman. Click [here](#) to tune in!

BIKES, BOOKS & BIG SMILES AT THE AIM HIGH KEEP PRESSING EVENT

On May 10th, our Regional Program Coordinator, Victoria Glasscock, partnered with the Aim High Keep Pressing 5K/10K Race to host a Bike Rodeo that brought families and children together for a day full of fun, learning, and community spirit. In collaboration with Pathways to Peace, a Henderson nonprofit, we were able to offer 22 bikes generously donated by community members. Kids had the chance to ride through our bicycle course and explore the area outside the library, where a special Earth Day-themed Story Walk was held with Melody Peters, Youth Services Librarian at Perry Memorial Library. The featured book, *The Earth Gives More* by Sue Fliess, was provided by Safe Routes to School and included a scavenger hunt to engage young readers. After the race, excitement filled the air as the crowd gathered for a raffle where all 22 bikes were given away. Seeing the smiles on the children's faces made it a truly unforgettable day!

SUCCESS STORY: MICHAEL WRIGHT

NCWorks staff met Michael Wright in February 2024. Driven to create a stable future for his growing family, he fully embraced the Kerr-Tar WIOA program. His journey included a Work-Based Learning assignment, CDL training, and earning his CDL-A license. Most impactful, however, was the support from his Career Advisor, Lucinda Clay. With her help, Michael secured full-time work as an Integrated Voter Engagement Associate with Civil 360. He shared the following heartfelt message to update her on his progress:

“Life has truly been a blessing lately—my baby boy is now 10 weeks old... we’ve even started traveling as a family, embracing every moment and living life to the fullest. couldn’t let this chapter of my journey go by without expressing my deepest gratitude. Your support meant the world to me when I was starting from the bottom. You helped plant the seeds of stability and confidence during a time when I needed it most. Thank you for everything you did to help me find my footing. Your work changes lives, and I’m living proof.”

Michael’s story highlights the lasting impact of Career Advisors like Lucinda Clay. We celebrate Michael’s success and honor Lucinda’s dedication, compassion, and professionalism, which have empowered countless individuals through the NCWorks system.
